PAN AMERICAN LUBRICANTS

Pan American Lubricants include high quality mineral oil, semi-synthetic, and full synthetic base oils, with additives for corrosion prevention, extreme pressure performance, extended life, washout resistance, high flash points, low pour points, or to meet other job-specific requirements.

Pan American Lubricants products are available in a variety of packaging options and quantities. Our liquids are available in 1 gallon jugs, 5 gallon pails, or 55 gallon drums. Our greases are offered in cases of 14 oz. tubes, 35 lb. pails, 120 lb. kegs, or 55 gallon drums.
