## Ever-Green Clean

NFG  
NON-FOOD GRADE

### Degreaser and Cleaner

Ever-Green Clean fast acting cleaner and degreaser, combines green emulsion surfactants and builders to handle tough cleaning. Ever-Green Clean removes oil residue and hydrocarbon buildup such as grease, motor oil, tar, fuel, fats, heavy soil and much more. It is strong enough to reduce grease trap problems during heavy cleaning.

Ever-Green Clean is proven to be an effective replacement for many of the many of the widely used chemistry in cleaners that are harmful to the environment. Advances in chemistry and technology means a “green” cleaner is no longer a weak cleaner. Ever-Green Clean is a powerful degreaser and is proven safe and effective.

#### Benefits-

- Superior penetration and removal of oily, greasy particulate soils
- Able to clean were mechanical or agitation is restricted
- Self-Splitting: oils rapidly break from used solution
- Readily Biodegradable
- No VOC's or phosphates
- Non-sensitizer to skin
- Excellent rinsing properties
- No hazardous ingredients in packaging
- No dangerous interactions
- No carcinogens
- No sensitizers
- Very low streak/smear profile
- NSF A8 & C1, Non-flammable and Non-corrosive

Properties / Characteristics	Product Name
Color	Clear to Slightly Yellow
pH	<11.5
Contains no harmful solvents, and is an environmentally safe chelating agent and surfactant.
